

# OPERATION:

## Gone with the Wind

*Let's Register!*

### Description

The Central and West Central Healthcare System Preparedness Programs are sponsoring a 2 day training and full scale exercise event. This event will be held at Camp Ripley June 20 & 21, 2012.

### Scenario

A city will be severely impacted by a tornado resulting in the evacuation of a healthcare facility. Surrounding communities will rise to the occasion and activate their emergency response plans in an effort to support the City's needs.

### Registration Information

Each healthcare facility can register up to 3 participants. Registration will be monitored closely and there may be opportunities to register more than 3 people per healthcare facility. Don't let this opportunity be Gone With The Wind, register early!

Registration is available through [mn.train.org](http://mn.train.org)

Enter course ID #1032551

For those that don't have a MNTrain account, please create one before registering.

**Registration deadline is May 30, 2012**

### Registration Tips

On MNTrain, when you reach the course screen for Gone with the Wind. Click the register tab. This will take you to a new screen. Here you identify which best describes your **disaster preparedness position at your facility**. Choose the appropriate description and type this into the box provided. Next click on the User Role arrow, a drop down menu appears and you will need to choose Player. *The Controller, Evaluator, Facilitator, observer and planner roles are by invitation only.* Finally, click on **Get Approval**. You have just registered and will receive approval by email! Get ready for a great experience!

Kim Thon at: [thonk@centracare.com](mailto:thonk@centracare.com)

### Role Definition

**Player:** Players initiate actions that will respond to and/or mitigate the simulated emergency.

### Additional Information

- There is no cost for this 2 day training and exercise event which includes lodging and meals.
- A participant handbook will be provided at check-in with more detailed player information.
- All healthcare participants will have an opportunity to train as an evacuating facility and surge facility during the training day.
- Anticipate more detailed information to come.

Questions may be emailed to Kim or Rachel and we will

***"Frankly Dear, We do give a darn!"***
